

THE BEECHES MEDICAL CENTRE

Average earnings calculation for the 8 months ended 31st March 2020

Declaration to be published on the practice website

All GP practices are required to declare the mean earnings for GPs working to deliver NHS services to patients at each practice.

The mean earnings for GPs working in The Beeches Medical Centre in the financial year ended 31st March 2020 was £116,677 before deduction of employee's superannuation contributions, tax and National Insurance. This is the average pay for the 1 full-time GP who worked in the practice for more than 6 months during that year.
